150TH ANNIVERSARY OF THE FOUNDING OF WAVERLY

HON. MAURICE D. HINCHEY

OF NEW YORK
IN THE HOUSE OF REPRESENTATIVES

Monday, June 14, 2004

Mr. HINCHEY. Mr. Speaker, I rise today to honor the Village of Waverly in Tioga County, New York, which is part of the 22nd Congressional District that I proudly serve. This year marks the 150th anniversary of the founding of Waverly. I am pleased to recognize the Village of Waverly and the important contributions it has made to Tioga County and to the State of New York on its sesquicentennial anniversary.

Located along the majestic Susquehanna and Chemung Rivers, the Village of Waverly is nestled in the Town of Barton and the heart of Tioga County. The Cayuga and Onondaga tribes of the Iroquois Confederacy originally inhabited present day Waverly and its surrounding areas prior to European settlement. Incorporated in 1854, Waverly was named by businessman Joseph Hallet after Sir Walter Scott's famous series of novels. Early inhabitants included settlers from Connecticut, Pennsylvania, and New York. The most prominent was John Shephard, who in 1796 purchased a one thousand acre plot upon which the whole of Waverly now stands.

By the nineteenth century, Waverly had attracted a wide array of businesses, most notably the Novelty Furniture Works, the Butter and Oyster Pail Manufactory, and the Sayre Butter Package Company. Waverly was still deeply connected to agrarian life, which flourished in the form of grist and flouring mills, saw mills, creameries, and wagon and blacksmith shops.

The early twentieth century saw the brief but historic appearance of the J.E. Rodeo. In 1938, Colonel Jim Eskew bought the Loomis Farm on Talmadge Hill that would soon be known as the "Rodeo Capital of the East." The opening performance was a sign of the good fortune ahead, as traffic was backed up for a mile and half prior to the show. Over the years, it was not uncommon to see authentic cowboys around the Village of Waverly. Visitors came from hundreds of miles away to see the "Rodeo Capital of the East." The annual Fourth of July celebration was highlighted by a special rodeo performance and was attended by young and old alike. However, with the advent of television and the onset of WWII, the rodeo eventually faded away and now is just a happy memory for the residents of Waverly.

Waverly's vibrant history is evident today. The village boasts many beautifully restored structures, seemingly on every corner of Broad Street and beyond. Waverly continues to offer its visitors breathtaking scenery and views of the Susquehanna and Chemung Rivers. Small villages like Waverly are an essential component of our nation's past, present, and future, and deserve to be honored and recognized for their numerous contributions. Mr. Speaker, it gives me great pleasure to recognize the Village of Waverly, New York as it celebrates the 150th Anniversary of its founding

THE MIDDLE CLASS SQUEEZE ON HISPANIC FAMILIES

HON. JOE BACA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 14, 2004

Mr. BACA. Mr. Speaker, Hispanic families in America are being left out of the American

Dream, thanks to the Bush administration's failure to create jobs and fund the programs essential to health and education. Thanks to the Bush tax cuts that favor the rich and the privileged, middle-class families in America are struggling to get by.

Over 1.4 million Hispanic workers are still looking for a job. Over \$1 trillion will be spent over the next 10 years on additional tax cuts for the rich, instead of creating jobs here at home. The unemployment rate for Hispanics is now 25 percent higher than when President Bush took office. This money should be used to create jobs for hardworking and dedicated individuals, instead of being used to give a break to the wealthy.

If things do not change, not only will there be no jobs for our students when they enter the real world, but they will graduate unprepared for today's job market. Over 27 percent of Hispanic students drop out of high school, yet the President's budget will eliminate funding for dropout prevention programs. The Bush budget will essentially freeze funding for bilingual education, even though the number of students with limited English proficiency is growing rapidly. These children need English skills to help them achieve the American Dream and we cannot neglect to teach them this basic tool.

The squeeze on Hispanic families does not stop there. The Bush budget cuts funding for the Office of Minority Health by 15 percent and neglects to make health care affordable for the over 12 million Hispanic Americans without health insurance. In the richest nation in the world, every American should be able to have access to health care.

We must not leave our families behind. We need a budget that will make sure that average Americans have jobs, an education and health care. We do not want one that rewards the rich and the privileged.
